**How Can I Keep From Singing
My Life Flows On in Endless Song***By: Traditional; Music: Robert Lowry***[Verse 1]**

My life flows on in endless song above earth's
 lamentation.
 I hear the real though far-off hymn that hails a
 new creation.

[Chorus]

No storm can shake my inmost calm while to
 that rock I'm clinging.
 Since love is Lord of heaven and earth, how can
 I keep from singing?

[Verse 2]

Through all the tumult and the strife, I hear the
 music ringing;
 It sounds and echoes in my soul; how can I keep
 from singing?

[Chorus]**[Verse 3]**

What though the tempest round me roar, I hear
 the truth it liveth;
 What though the darkness round me close,
 songs in the night it giveth.

[Chorus]**[Verse 4]**

When tyrants tremble sick with fear and hear
 their death knells ringing;
 When friends rejoice both far and near, how can
 I keep from singing?

[Chorus]

You, You, You*By: The Okee Dokee Brothers***[Verse 1]**

The morning was morning and the snow was snowing
 Drifts were drifting and the wind was blowing
 Coats were coating, gloves were gloving
 Boots were bootin, and loves were lovin'
 And he, he was he-ing, and she, she was she-ing
 And they, they were they-ing, and I... was me-ing

[Chorus]

But you you you, you were you-ing
 Like you you you, you love doing
 And you you you, you were you-ing like you do.
 I just love it when you you

[Verse 2]

Hills were hilling, streams were streaming
 Sleds were sledding and the woods were gleaming
 Kids were kidding while the frost was freezing
 Colds were colding, and the sneezes were sneezin'
 And he, he was she-ing, and she, she was he-ing
 And they, they were they-ing, and I... was me-ing

[Chorus]**[Verse 3]**

The sun was setting, and home was calling
 Soup was souping, and the night was falling
 Tea was tea-ing while songs were singing
 Beds were bedding, and yawns were yaaaawning

Our House*By: Crosby, Stills, Nash, and Young***[Verse 1]**

I'll light the fire
 You place the flowers in the vase
 That you bought today
 Staring at the fire
 For hours and hours while I listen to you
 Play your love songs all night long for me
 Only for me

[Verse 2]

Come to me now
 And rest your head for just five minutes
 Everything is done
 Such a cozy room
 The windows are illuminated
 By the evening sunshine through them
 Fiery gems for you, only for you

[Chorus]

Our house is a very, very, very fine house
 With two cats in the yard
 Life used to be so hard
 Now everything is easy 'cause of you
 And I

La-la, la-la-la-la-la
 La-la-la-la, la-la-la-la-la
 La-la-la-la-la-la-la
 La-la-la-la-la-la-la-la
 La-la, la-la-la-la-la
 La-la-la-la, la-la-la-la-la
 La-la-la-la-la-la-la

[Chorus]

Our house is a very, very, very fine house
 With two cats in the yard
 Life used to be so hard
 Now everything is easy 'cause of you
 And I

I'll light the fire
 While you place the flowers in the vase

Stars were starrin' while the moon was beaming
Sleep was sleeping and dreams were dreamin'...

[Chorus]

That you bought today

My Favorite Things

By: Rodgers and Hammerstein

[Verse 1]

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

[Verse 2]

Cream colored ponies and crisp apple strudels
Doorbells and sleigh bells and schnitzel with
noodles;
Wild geese that fly with the moon on their wings
These are a few of my favorite things

[Verse 3]

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver white winters that melt into springs
These are a few of my favorite things

[Bridge]

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad

[LET'S REPEAT THE SONG!]

Chin Up

From: Charlotte's Web Movie

By: Debbie Reynolds

[Chorus]

Chin up, chin up Everybody loves a happy face
Wear it, share it, It'll brighten up the darkest
place
Twinkle, sparkle, Let a little sunshine in
You'll be on the right side, Looking at the bright
side.
Up with your chinny chin chin

[Verse 1]

Chin up, chin up Put a little laughter in your eyes
Brave it, save it Even though you're feeling
otherwise
Rise up, wise up Make a little smile begin
You'll be happy hearted Once you get started
Up with your chinny chin chin!

[Chorus]

Chin up, chin up Everybody loves a happy face
Wear it, share it It'll brighten up the darkest
place
Twinkle, sparkle Let a little sunshine in
You'll be on the right side Looking at the bright
side.
Up with your chinny chin chin

[Bridge]

Chin down, you can't help frowning
Turn around; Starting clowning
Think sad your troubles double
Think glad they burst like bubbles

[Verse 2]

Chin up, chin up Every little time your spirits wilt
Chin up, chin up Give your attitude an upward tilt
Twinkle, sparkle Let a little fun begin
You'll be on the right side Looking at the bright
side

	Up with your chinny chin - Chin up!
Sister Moon and Brother Sun <i>By: Okee Dokee Brothers</i> [Verse 1] Mother Earth was in the garden while her kids were runnin' 'round Sister Moon was laughing as she ran Then Brother Sun crashed into his mother's pail Spreadin' seeds all over the land [Chorus 1] So they say this is how the woods were made With the aspens, the oaks, and evergreens Don't you know that sometimes it happens by mistake That we make the most beautiful things [Verse 2] When Brother Sun fell down in the dirt Father Sky filled a basin with the rain Then Sister Moon tripped and tumbled in Splashing water all across the plains [Chorus 2] So they say this is how the rivers were forged With the rapids, the rushes, and the springs Don't you know that sometimes it happens by chance That we make the most beautiful things [Verse 3] Sister Moon and Brother Sun were out in the yard Throwin' mud and digging holes in the ground. They kicked and they rolled all over the fields Pushing up rocks and dirt all around [Chorus 3] So they say this is how the mountains were formed With the peaks, the valleys, and the streams	[Chorus 4] So they say this is how our days were split By the nights, the stars, and our dreams Don't you know that it takes some darkness and some light To make the most beautiful things Don't you know that it takes some darkness and some light To make the most beautiful things

Don't you know that sometimes it happens by
playing
That we make the most beautiful things

[Verse 4]

At the end of the day Mother Earth was tired
And put her children down to rest
She made two beds at the ends of the sky
One in the east, and one in the west

Both Sides Now

By: Joni Mitchell

[Verse 1]

Rows and floes of angel hair
And ice cream castles in the air
And feather canyons everywhere
I've looked at clouds that way
But now they only block the sun
They rain and they snow on everyone
So many things I would have done
But clouds got in my way

[Chorus 1]

I've looked at clouds from both sides now
From up and down and still somehow
It's cloud illusions I recall
I really don't know clouds at all

[Verse 2]

Moons and Junes and Ferris wheels
The dizzy dancing way you feel
As every fairy tale comes real
I've looked at love that way
But now it's just another show
You leave 'em laughing when you go
And if you care, don't let them know
Don't give yourself away

[Chorus 2]

I've looked at love from both sides now
From give and take and still somehow
It's love's illusions that I recall
I really don't know love
I really don't know love at all

[Verse 3]

Tears and fears and feeling proud
To say, "I love you, " right out loud

[Chorus 3]

I've looked at life from both sides now
From win and lose and still somehow
It's life's illusions I recall
I really don't know life at all

I've looked at life from both sides now
From up and down and still somehow
It's life's illusions I recall
I really don't know life at all

Dreams and schemes and circus crowds
 I've looked at life that way
 Oh, but now old friends, they're acting strange
 And they shake their heads and they tell me that
 I've changed
 Well, something's lost, but something's gained
 In living every day

Mother Earth and Father Time

From Charlotte's Web, 1973 movie adaptation

[Chorus]

How very special are we
 For just a moment to be
 Part of life's eternal rhyme
 How very special are we
 To have on our family tree
 Mother Earth and Father Time

[Verse 1]

He turns the seasons around
 And so she changes her gown
 But they always look in their prime
 They go on dancing their dance
 Of everlasting romance
 Mother Earth and Father Time

[Bridge]

The summer larks return to sing
 Oh what a gift they give
 Then autumn days grow short and cold
 Oh what a joy to live

[Chorus]

How very special are we
 For just a moment to be
 Part of life's eternal rhyme
 How very special are we
 To have on our family tree
 Mother Earth and Father Time

 Mother Earth and Father Time

Today

By: John Denver

[Chorus]

Today while the blossoms still cling to the vine,
 I'll taste your strawberries, I'll drink your sweet wine.
 A million tomorrow shall all pass away, 'ere I
 forget all the joy that is mine, today.

[Verse 1]

I'll be a dandy and I'll be a rover, you'll know
 who I am by the songs that I sing.
 I'll feast at your table, I'll sleep in your clover,
 who cares what tomorrow shall bring?

[Chorus]

Today while the blossoms still cling to the vine,
 I'll taste your strawberries, I'll drink your sweet wine.
 A million tomorrow shall all pass away, 'ere I
 forget all the joy that is mine, today.

[Verse 2]

I can't be contented with yesterday's glory, I
 can't live on promises winter to spring.
 Today is my moment, now is my story, I'll laugh
 and I'll cry and I'll sing.

[Verse 3]

Today while the blossoms still cling to the vine,
 I'll taste your strawberries, I'll drink your sweet wine.
 A million tomorrow shall all pass away, 'ere I
 forget all the joy that is mine, today.

'ere I forget all the joy that is mine, today.

Spanish Pipedream*By: John Prine***[Verse 1]**

She was a level-headed dancer on the road to alcohol
 And I was just a soldier on my way to Montreal
 Well, she pressed her chest against me
 About the time the jukebox broke
 Yeah, she gave me a peck on the back of the neck
 And these are the words she spoke

[Chorus]

Blow up your TV, throw away your paper
 Go to the country, build you a home
 Plant a little garden, eat a lot of peaches
 Try and find Jesus on your own

[Verse 2]

Well, I sat there at the table and I acted real naive
 For I knew that topless lady had something up her sleeve
 Well, she danced around the bar room and she did the hoochy-coo
 Yeah, she sang her song all night long, tellin' me what to do

[Go to chorus]**[Verse 3]**

Well, I was young and hungry and about to leave that place

If You Want to Sing Out*By: Cat Stephens***[Verse 1]**

Well, if you want to sing out, sing out
 And if you want to be free, be free
 'Cause there's a million things to be
 You know that there are

[Verse 2]

And if you want to live high, live high
 And if you want to live low, live low
 'Cause there's a million ways to go
 You know that there are

[Chorus]

You can do what you want, the opportunity's on
 And if you find a new way, you can do it today
 You can make it all true and you can make it undo
 You see, it's easy, you only need to know

[Verse 3]

Well, if you want to say yes, say yes
 And if you want to say no, say no
 'Cause there's a million ways to go
 You know that there are

[Verse 4]

And if you want to be me, be me
 And if you want to be you, be you
 'Cause there's a million things to do
 You know that there are

When just as I was leavin', well she looked me in the face
 I said "You must know the answer"
 She said, "No, but I'll give it a try"
 And to this very day we've been livin' our way
 And here is the reason why

[Final chorus]

We blew up our TV, threw away our paper
 Went to the country, built us a home
 Had a lot of children, fed 'em on peaches
 They all found Jesus on their own

[Chorus]

You can do what you want, the opportunity's on
 And if you find a new way, you can do it today
 You can make it all true and you can make it
 undo
 You see, it's easy, you only need to know

[Verse 1]

Well, if you want to sing out, sing out
 And if you want to be free, be free
 'Cause there's a million things to be
 You know that there are

[Outro]

You know that there are, You know that there
 are
 You know that there are, You know that there
 are
 You know that there are

Closer to Fine

By: Indigo Girls

[Verse 1]

I'm trying to tell you something 'bout my life
 Maybe give me insight between black and white
 And the best thing you ever done for me
 Is to help me take my life less seriously
 It's only life after all, yeah

[Verse 2]

Well, darkness has a hunger that's insatiable
 And lightness has a call that's hard to hear
 And I wrap my fear around me like a blanket
 I sailed my ship of safety till I sank it
 I'm crawling on your shores

[Chorus]

And I went to the doctor, I went to the mountains
 I looked to the children, I drank from the
 fountains
 There's more than one answer to these
 questions
 Pointing me in a crooked line
 And the less I seek my source for some
 definitive
 (The less I seek my source)
 Closer I am to fine, yeah
 Closer I am to fine, yeah

[Final Chorus]

And I went to the doctor, I went to the mountains
 I looked to the children, I drank from the
 fountains
 Yeah, we go to the Bible, we go through the
 workout
 We read up on revival, we stand up for the
 lookout
 There's more than one answer to these
 questions
 Pointing me in a crooked line
 And the less I seek my source for some
 definitive
 (The less I seek my source)
 Closer I am to fine
 Closer I am to fine
 Closer I am to fine, yeah

[Verse 3]

And I went to see the doctor of philosophy
With a poster of Rasputin and a beard down to
his knee
He never did marry or see a B-grade movie
He graded my performance, he said he could
see through me
I spent four years prostrate to the higher mind
Got my paper and I was free

[go to Chorus]**[Verse 4]**

I stopped by the bar at 3 A.M.
To seek solace in a bottle or possibly a friend
And I woke up with a headache like my head
against a board
Twice as cloudy as I'd been the night before
And I went in seeking clarity
